Greeting GFWC West Virginia!

It is an honor to serve as the 2024-2026 President of this wonderful state federation. As this administration takes shape, I would like to share some important information that will help guide us through the next two years.

First, the State Directory will be posted on the State's Website this administration. Use this directory along with the GFWC Manual and other resources to guide you as you plan and then succeed with your club's programs and projects.

Next, during my orientation meeting in Washington DC in January 2024, our GFWC President-elect, Suellen Brazil, encouraged us to *Educate, Engage, and Empower, and to Reimagine Leadership*.

With that, I would like GFWC WV to *educate* our family and friends on the many issues our members support by volunteering to make a difference in our communities, state, and nation. Don't keep GFWC WV a secret! I would like our members to *engage* in projects that we have not explored before, and let's *empower* each other as well as our family and friends on issues that can make a difference in our lives. As a federation member I can personally say that my years with GFWC have enhanced my leadership training beyond my imagination. As a shy and backward young lady, to now serving as State President, it has all been through the training and experiences with GFWC. So, during 2024-2026 let's reimagine your leadership journey. Let GFWC take you to new places, new heights, and new positions that you never would have imagined. *Reimagine your Leadership* journey through GFWC WV.

Most importantly, the President's Special project for this administration is titled "**HOMES**". This Special Project will encourage our members to focus on Foster Homes, Nursing Homes, and Our Homes.

Foster Homes- I have always had a soft spot for the children that are taken from their homes for one reason or another. And I am awed by the families that take these children into their homes at a moment's notice. So, I imagine our federation helping foster families to help them prepare their home to accept the children; help the children with the necessary help and items; and work with the local Foster Care Agency.

Nursing Homes- We all know someone who has a loved one in a nursing home. Many are thankfully looked after by family members, but many are not as lucky. I imagine our Federation providing the residents with personal, emotional, and friendly support. To work

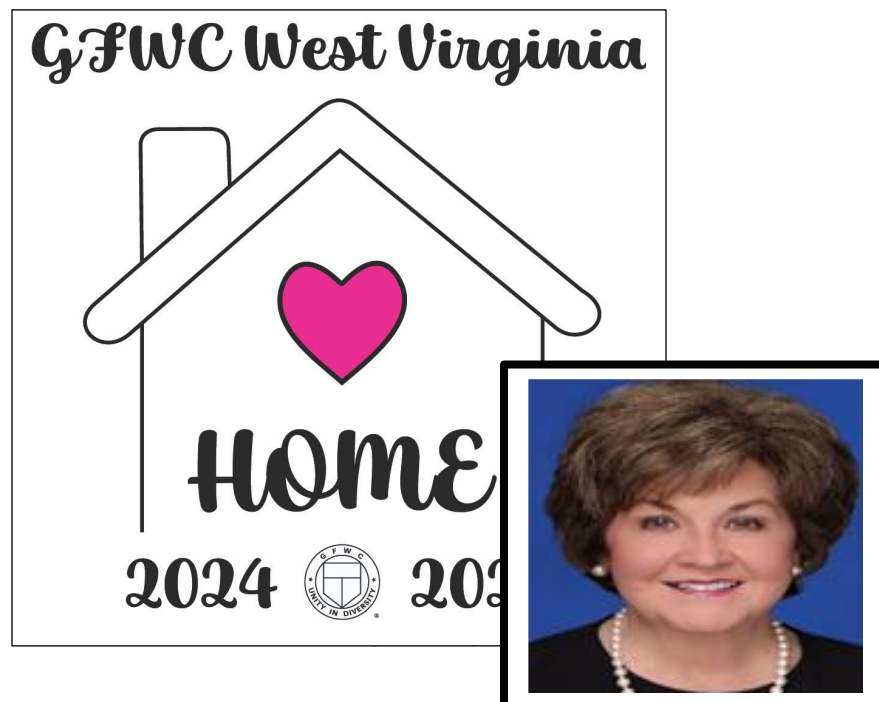

with the activities director to provide prizes for Bingo games, decorations for the holidays, and other fun items and help we can provide for the residents.

Last is **Our Homes**. As volunteers we think so much of helping others, we sometimes forget our own homes and personal family duties required of us. I imagine our Federation educating our families and friends on ways to prepare for medical emergencies; household emergencies; and how to get their paperwork ready for life's final days.

Let's focus on the **HOME** these next two years to make a difference for all who enter.

Thank you for this opportunity to serve as GFWC West Virginia State President! *GFWC WV- HOME is where the Heart is!*

Federation hugs,
Natalie Hinkle
GFWC West Virginia President 2024-2026
870 Route 20 South Road
Buckhannon, WV 26201
304-613-2676
2024gfwcwv@gmail.com

Dear Fellow Members,

I am so excited to welcome you to the 2024-2026 administration. I am deeply honored to serve as your 55th GFWC International President during this pivotal period, in which historic progress can and will be made. I encourage you to take full advantage of the numerous opportunities available to you.

Service and personal development have been central to our mission for 134 years. Through these lies the concept of the "circle of influence" – a dynamic sphere within which our actions radiate outward, touching lives and effecting change. Within this circle, as symbolized on our emblem, we find our power to transform, uplift, and inspire. As members of the General Federation of Women's Clubs, each of us occupies a unique position within this circle, endowed with the capacity to enact meaningful change and to leave an indelible mark upon the world.

Under the banner of "Educate, Engage, Empower," let us work to empower individuals from all walks of life, providing them with the tools and knowledge necessary to shape our future. Through education, we open the doors to opportunities and encourage a culture of lifelong learning. Increased engagement creates meaningful connections and fosters a sense of belonging. Empowerment encourages others to become catalysts of change, amplifying the scope and impact of our collective endeavors.

As we step into this new administration, our Strategic Plan has been meticulously crafted to guide our focused efforts. Our leaders have prepared an incredible Club Manual, a treasure trove of ideas, tools, and tips for grassroots involvement. Take full advantage of this powerful resource to aid our growth and development.

Together, as we embark on this new chapter, hold fast to the values that define our organization—camaraderie, collaboration, and commitment to changing lives through volunteer service. Celebrate our diverse perspectives and experiences, recognizing that it is through our differences that we find our strength. Our potential for undefined progress is limitless when we unite and advocate with one voice and excellent clarity. Be bold as we reimagine all that GFWC can become.

Together In Living the Volunteer Spirit,

Suellen B. Brazil

GFWC International President

Dear Fellow GFWC Sisters,

What an honor it is to welcome you to the 2024-2026 Administration as the 37th GFWC Director of Junior Clubs! I look forward to serving alongside you all as we continue the impactful work for which we are known. GFWC Clubwomen are dedicated to community improvement by enhancing the lives of others through volunteer service, and we are passionate, creative, and untiring advocates as we work together. I love that we also have so much fun and build wonderful relationships with each other while we work hard!

The guiding concept for the Junior Administration will be “**Stronger Together.**” We are stronger when we work together at all three levels of GFWC membership: Women’s Clubs, Juniors, and Junioresses. Our multi-generational membership is truly one of the benefits of belonging, and we can accomplish so much **together**. We will support existing Junior clubs and charter new Junior clubs nationwide. We will empower State Directors of Junior Clubs and encourage and equip Junior clubs in states without Directors. We will utilize technology to help ALL Junior members feel connected to GFWC and to each other, including learning about the numerous resources available to all members. We will participate in the goals and vision of the GFWC Strategic Plan and continue to promote and develop the Junior Certification Program available to all Junior and Junioress clubs.

Advocates for Children continues to be the Juniors’ Special Program. We will encourage clubs to plan projects for their favorite local organizations and/or March of Dimes, St. Jude’s, and Prevent Child Abuse America. We will celebrate Advocates for Children Week the fourth week of October and encourage all clubs to participate. More information about the Juniors’ Special Program is available in the GFWC Club Manual.

I am at your service, along with the entire GFWC Junior leadership, to help engage clubs at all membership levels in celebrating our rich history while looking ahead to a strong future for GFWC. As we work together, we are **Stronger Together!**

In Junior Love,

Shannon Bailey, GFWC Director of Junior Clubs

GFWC West Virginia

GFWC WV President's Special Project: HOME

Focusing on 3 areas:

- 1) *Foster Homes*- helping foster families prepare their homes for receiving foster children, helping the children with necessities, and the agencies.
- 2) *Nursing Homes*- help nursing homes with fun activities, items for residents, and decorations for holidays.
- 3) *Our Homes*- prepare our homes for emergencies, medical preparedness, and life's final preparations

The 2024-2026 Presidents Special Project “HOME” highlights three (3) areas: Foster Homes, Nursing Homes, and Our Home

As Chairman I will be sending out project ideas, news and tips by email to your district PSP Chairs and via the new PSP Facebook Group Page. Please share these with your members as you receive them. Also be sure to check the PSP section in the Clubwoman Newsletter. Clubs are encouraged to create events and activities that benefit the needs within their communities. Feel free to contact me with any questions, and be sure to share during the year all the activities your club hosts that support “HOME”

Ideas for projects to support the Presidents Special Project include:

FOSTER HOMES

Supporting foster homes and families is incredibly impactful.

- Donate beds or other furniture, clothes, toys, and cleaning products to foster families. Provide ready-to-bake or frozen prepared meals to foster families receiving emergent placed children. Assist families who are fostering by running errands.
- Collect school supplies for foster children as they start a new academic year. Encourage donations of backpacks, notebooks, pens, pencils, and other essentials.
- Create an online campaign through platforms like Donorbox or GoFundMe. Share the campaign with your network to raise funds for foster agencies.
- Arrange/Host a parents’ night out event in your community. Organize a night with games, food, and entertainment. Parents can enjoy a break while their children are supervised, and the proceeds go toward foster care.

Remember, every small effort counts, and can make a significant impact in supporting foster children and their caregivers.

NURSING HOMES

Supporting local nursing homes is a wonderful way to make a positive impact on the lives of residents while fostering a stronger sense of community. Reach out to nursing homes in your area to inquire about volunteer opportunities.

- Organize learning classes or workshops within the nursing home. These could cover topics that include art, music, history, or technology.
- Host activities such as luncheons, group walks, movie nights or holiday parties.
- Spend time with residents, engaging in conversations, playing games, or sharing stories, ask about their experiences and offer words of encouragement.

o If you're unable to visit a nursing home regularly, consider becoming a pen pal. Writing letters to residents can brighten their days and provide a sense of connection.

OUR HOMES

It is increasingly important that individually we take steps to protect and prepare our homes. In addition to the basic emergency preparedness steps, we take such as creating a family emergency exit plan, or assembling an emergency kit, additional ideas are:

- Test your smoke and carbon monoxide detectors and keep them in working order with fresh batteries.
- Know where your electricity, gas and main water switches and valves are located and how to shut them off.
- Clear clogged rain gutters and keep them free of leaves and debris.
- Keep a list of all your medical needs/medications in your purse or wallet. Consider posting a copy in an accessible place such as on your refrigerator and/or sharing it with a family member.
- Review your home/renter insurance policy to ensure you have adequate coverage. If you're not sure, talk to your agent. Know where these and other important papers are and how to access them.

It's not every day that we think about preparing our homes for emergencies because who wants to contemplate the worst happening? However, there will be moments when the worst does happen. Disasters are stressful, but planning helps you stay calm and think clearly.

Also, another important aspect of planning within OUR HOME is protecting ourselves and our loved ones. A Last will and Living will should be considered by everyone. Both can provide you and your loved ones the peace of mind that your wishes will be followed - in the case of a last will, after your death, and with a living will, before. Creating them when you're healthy allows you to consider your options carefully without immediate health concerns weighing on you. Pre-planning allows you to discuss your choices with your loved ones ahead of time, so they are not left with difficult choices and without guidance as to your wishes.

Be sure to connect with the Presidents Special Project on Facebook @gfwcwpshOME and JOIN THE GROUP PAGE to share what project ideas and events your club comes up with! Can't wait to see what fantastic and creative ideas your clubs come up with to promote "HOME"

Community Service Programs are the programs and projects members initiate and participate in to serve their communities, including projects with GFWC Affiliate Organizations.

Number of Projects is the numerical account of the programs and projects initiated and participated in by your club.

Volunteer Hours is the amount of time that members worked on club approved programs and projects.

Dollars Donated is the monetary amount given to programs and projects.

In Kind Donations reflect the monetary value for goods provided to programs and projects. Please refer to the GFWC In-Kind Donation Guide for an estimated value of commonly donated items at www.GFWC.org.

Dollars Spent are costs incurred by members or the clubs to achieve Advancement Plan goals.

Dollars Raised reflects the dollars earned from fundraising and development programs and projects.
